Trinity
CE Primary School

Welcome to Trinity CE Primary School

Dear Parents and Carers,

Situated in the beautiful village of Aldwincle, Trinity is a primary school that has a strong school community where children learn in a positive, warm and friendly environment. Our vision encapsulates our purpose and ethos:

"Encourage each other and build each other up"
Thessalonians 5:11

Through encouraging each other and building each other up, we seek to enable our school community to "shine like a light for the whole world" (Matthew 5:16), understanding how we can make a difference by showing love and building faith and friendship as we go.

We are part of the Peterborough Diocese Education Trust and our foundation as a Church of England School is very important to us. We operate within Christian values and our behaviour exemplifies the kind, caring and giving people that we all are.

At Trinity we pride ourselves on providing the very best learning experience for all of our children. Our curriculum is broad, balanced and progressive and delivered through high quality teaching and learning with a commitment to valuing potential in all members of the community.

Learning with us

At Trinity, we deliver a broad and deep curriculum that is designed to engage our pupils.

Our school has a unique and innovative learning environment where all children are challenged and encouraged to think creatively. We believe that children learn best when they are able to take ownership of their learning and are inspired by the subject matter.

Life with us

We are very proud of our caring and supportive environment which nurtures our children within a Christian ethos.

We offer our own extended child-care provision from 8am to 5.30pm every day.

The children that attend love it and often want to stay rather than go home! This provision is in addition to the range of before and after school clubs and activities, such as science and sports based clubs, delivered by teachers and various external providers.

About PDET

PDET is a family of over 30 schools across Northamptonshire, Peterborough and Rutland who are **learning and flourishing together**.

By working together as a group, we are proud of the fact that all of our schools are rated as Good or better by Ofsted and are applauded by the Church of England for their ethos and approach.

To achieve this, we support our staff to thrive and create exciting opportunities to enable each and every pupil to experience an excellent education and realise their individual talents.

"Leaders have high expectations of pupils. Central to these aspirations are the school's six values of community, charity, faith, respect, perseverance, and friendship."
