

# Trinity Times

**Our Vision:** We inspire everyone to reach their God-given potential as they journey through life; stimulating a thirst for knowledge; building confidence and resilience; loving one another; and embracing Christian values.

Issue 1

## Settling Back in and Welcome to Acorn Class

The children have settled back in very well and have already produced some fantastic work across the school.

We are delighted to welcome several new children across the year groups to our school and of course our new intake in Reception (Acorn).

We look forward seeing the children build on their super start to have a very successful year at Trinity.

---

## Whats App

We are aware that there is an increasing amount of children using WhatsApp, particularly in the older year groups. Please be aware that WhatsApp is recommended for users of 16 years and above. If your child does use the app, please take responsibility to monitor what they are putting on the chats and who they are communicating with.

---

## Communication

Please be aware that we will no longer be using Class Dojo. If you need to contact the class teacher, please email the school office ([office@trinity.pdet.org.uk](mailto:office@trinity.pdet.org.uk)) or speak to the teacher at drop off or collection time.

We have set up new social media accounts for the school. Please follow us on Facebook and Twitter:

## Residentials and swimming

Our swimming lessons will take at Thrapston in the summer term this year for Year 3 and Year 4 children, plus any children from Year 5 and 6 who have not yet met the standards set out in the National Curriculum.

The Year 4 residential trip to Frontier Centre will be from 8th– 10th May and the Year 6 trip to Longtown will be from 10th– 14th June. More details regarding these trips will be sent out in due course.

---

## Homework

We will have a new approach to our homework system, details of which will be sent out alongside the homework in the coming weeks. Until further information is given out about the homework, please ensure that your child reads his/ her reading book at home. Children in KS2 should also be practicing their Times Tables on Times Tables Rockstars.

---

## Celebration Assembly

Celebration Assembly will continue to be at 8.55am on Fridays this year. We will not be sending out a Celebration Assembly newsletter this year, but we do warmly invite all parents to join us for any of our Celebration Assemblies.

Parents of children who have won a Hot Chocolate or Star of the Week award will be sent a message via ParentMail.
